2 Corinthians 9:6-15 ESV

Rev. Byron A. Jackson, Senior Pastor

---

1. Being generous does not just benefit the giver, but it also benefits the \_\_\_\_\_.
2. Paul is calling the Corinthian church to give \_\_\_\_\_ to benefit the church in Jerusalem.
3. Paul calls on the \_\_\_\_\_ Corinthian Church to help out the \_\_\_\_\_ Church of Jerusalem.
4. \_\_\_\_\_ have given to help in their relief, but their giving \_\_\_\_\_.
5. With \_\_\_\_\_, there is always something \_\_\_\_\_ at work. There is a \_\_\_\_\_ component to every situation.
6. Corinthian \_\_\_\_\_ has the potential to rectify social \_\_\_\_\_.
7. At the time of this trouble, there's a larger \_\_\_\_\_ taking place in the church "\_\_\_\_\_".
8. Jewish \_\_\_\_\_ still weren't completely on board with Gentile believers being \_\_\_\_\_ with them in God's eyes and in the church.
9. They have the \_\_\_\_\_ to show the Jewish Christians that though they've been \_\_\_\_\_ into this family, we have the same \_\_\_\_\_ that you've been called to have all along.
10. Corinthian generosity also helps the recipient gives \_\_\_\_\_ to God.
11. When these Christians received the gift from the these \_\_\_\_\_ Corinthians, they would have to \_\_\_\_\_ it was the \_\_\_\_\_ of God that touched their hearts to give so generously.
12. When they receive the gifts, they will \_\_\_\_\_.... but even if they don't respond to the \_\_\_\_\_ (and the Macedonians), Paul assumes that they will respond with thanks to \_\_\_\_\_ and intercessory \_\_\_\_\_ for those who gave.

13. How blessed we could be if we weren't so focused on people telling \_\_\_ thank you, but gave in hopes that they would tell \_\_\_\_\_ thank you!
